# PILING MACHINE EQUIPMENT LIST

1. A) Winch (3Ton, 5Ton, 7.5 Ton)  
B) 3YDA Engine and 4YDA Engine  
C) Engine leg Bolt  $\frac{3}{4}$  \*3" = 4 Nos with Nut +Washer  
D) Engine Belt----- 4 Nos
2. A) Typaid set: - 1No main leg, 2 No Side legs + Typaid shoe  
B) Typaid Pulley with pin: - Pin size 9" long Dia 2.5"  
C) Typaid Pin: - 17" long Dia 62 M.M  
D) Typaid Belt: - Main belt length 8" \*1"  
F) Side leg 8 Nos Bolt: - Size 5/8 \*3" F.T. with Washer  
G) 1No Diesel drums with 2 Nos 20 liter plastic jars
3. A) 1 No Bailer  
B) 1 No Chisel  
C) 1 No Casing
4. 1 set Treame: - With bottom + Treame head
5. 1 No Hopper with 1 No charger
6. D.M .C pipe with D.M.C head
7. 1 No Chut-cart: - with chut cut bearing 4sets
8. Treame lock and D.M.C lock
9. Welding Machine, Cable & Welding Rod

## Accessories:-

10. A) 'D' shekel 2 Nos 5 Ton capacity  
B) 1.25 \* 7' Bolt for 'D' shekel  
C) Wire Clamp – 25 M.M  
D) Hoarse clamp -- 2.5"  
E) Hoarse pipe -- 2.5"
11. S.P.4.L Pump with Engine +Sanction + Foot valve +Drum (If with water cool Engine)
12. Bentonite Powder: - 1 Ton
13. 2 No 25 meter Wire rope
14. Range Set:-  
A) 18" Pipe Range  
B) 12" Slide Range  
C) Ring Range :- i) 5/8 \* 3/4 ii) 3/8 \* 1/2 iii) 30/32 Dual Range  
D) 1 No Screw-driver  
E) Chain ton with a chain  
F) 1No snatch Pulley

**Note:** - According to your working requirement (Pile Dia, Pile Length, soil, Environment) Equipment and Accessories and Price may vary...)

## D.M.C Winch Machine

PILING SOLUTION  
KOLKATA INDIA

9874065259/8621904924/987466259

WWW.PILINGMACHINEINDIA.COM

Bored Piling Winch is famous for its unique design, good service & robust construction, cone clutch for free operation. Carbon steel shaft, heat treated pinion for smooth functioning. Fabricated Iron structure. Heavy duty Bearings,. The range we offer is made with the latest technology and is used in diverse applications.

Capacity: - 3.5 Ton, 5 Ton, 7.5 Ton

## Heavy Duty Chisel

PILING SOLUTION  
KOLKATA INDIA  
9874065259/8621904924/987466259  
WWW.PILINGMACHINEINDIA.COM

We are offering Chisel which is having durability and reliability in use. These are tested stringently for quality before being supplied to our clients to ensure that our clients get nothing but the best.

The materials used in the manufacturing of the chisel are of superior quality that further ensures optimum quality performance in the respective applications. Moreover, the unmatched quality and unbeatable performance has also made the entire array of chisel highly distinguished in the market

## D.M.C Pipe & Treamie Pipe

We offer to our valued customers a supreme quality range of DMC Pipe. This is available in various sizes and dimensions. This is made of M.S. Iron Pipes (seamless) and electrically welded with number male and one number female (O.N.G.C Socket) D.M.C. Sockets at both the end.

We are reckoned in the industry for our ability of manufacturing and supplying a highly qualitative range of Treamie Pipes. Known for their matchless quality and features. Our entire product range is strictly examined on defined industrial standards.

### Features:

- ❖ High tensile strength
- ❖ Dimensionally accurate

## Hopper

With our industrial experience we serve our clients with an exclusive range of Hopper. We are engaged in manufacturing a wide range of Hopper which is fabricated in line with the industrial quality & standards. Sturdy and robust in construction, these heavy duties Hoper are widely appreciated by our clients for high service life

## TRIPOD

We manufacture Tripod Set for D.M.C Bore piling applications & Augur according to specific requirements of clients. It is tested on various quality parameters that assure our clients of the superior quality of the product. It is tested in various parameters and it is capable of handling high load capacity. These heavy duties Tripod are widely appreciated by our clients for high service life

### Features:

- ❖ Sturdy construction
- ❖ Tensile strength

## Bailer & Casing

We are offering to our clients, Heavy Bailer & Casing, which are widely used in Civil Piling industries. These are available with qualitative functioning. We can provide these to our clients in various specifications as per their variegated requirements. These Bailer & Casing are tested on various quality parameters that assure our clients of the superior quality of the products.

### Features:

- ❖ Corrosion resistant
- ❖ Long functional life
- ❖ Reliable

## Treamie & D.M.C Head with Lock

We offer a wide range of Trimme Head and DMC Head that are regulated and suitable for various applications. Essential for various industrial purposes. Trimme Head and DMC Head been proven to be reliable. These trimmer heads are tested on various quality parameters that assure our clients of the superior quality of the products. Available in different specifications, these can also be provided as per the requirements of the clients

## Chut-cart & Engine (Ruston 4YDA & 6YDA)

Chut-Cart is used for Carrying concerting material at job site. The 4YDA & 6YDA Engine is attached with the winch Chassis and it is connected with a V-Belt with the winch wheel So it Can carry-out the load capacity of the Machine & it functions Smoothly
